FOR IMMEDIATE RELEASE

**NEVILLE COMPANIES RECOGNIZES
ARTHUR CAMPERON WITH A SOUTH BURLINGTON ROTARY
EMPLOYEE RECOGNITION AWARD**

May 27, 2008

On May 15, 2008 Art Cameron was recognized as the recipient of an Employee Recognition Award from the Rotary Club of South Burlington for his exemplary performance of his duties as a Maintenance Technician for Neville Companies since November of 2005.

Neville cites Cameron's impeccable work ethic and history of reliability as reasons for choosing him as this year's recipient. John Wilking, President of Neville Companies, spoke briefly at the presentation stating. "Art is one of those folks that you simply count on. You know he will be at work every day. He will respond to the emergency call at 2 in the morning and will have the appropriate demeanor. You never need to concern yourself with the quality of the job. And you never need to question whether the job was completed because he communicates extremely well. This man is the ultimate, well rounded, jack-of-all- trades. The guy everyone likes. And an employee we hope will be with the company for the rest of his career."
